

Three-Generation Genogram Template

Family Systems Therapy · Bowen Theory Assessment Tool

Clinical Purpose

The genogram maps three generations of family structure, relationships, and patterns. It is used in Bowen-oriented therapy as both assessment and therapeutic tool — revealing triangles, emotional cutoffs, multi-generational transmission, and family emotional process.

Symbol Reference Guide

Symbol	Meaning	Symbol	Meaning	Symbol	Meaning
■	Male	■	Female	■=■	Married couple
